KIND WORDS FITLY SPOKEN. To THE EDITOR OF THE NEW NORTHWEST: I have tried to further our common cause in every way. From the many favorable notices that our chief has received from the Eastern Oregon and Idaho press since she began her journey across the continent, we clip the following:

The lecture last Tuesday evening on "The Good Time Coming" was Mrs. Dunway's best effort while in this city. She appeared to be so sincere, and her language so powerful, yet not in the least objectionable to the most polished, that she was listened to during the whole discourse with strict attention. Mrs. Dunway left on Wednesday morning for Philadelphia, where she is to deliver the address before the Woman Suffrage Association. The committee did well in choosing her.—Idaho World.

Up to the present writing, Mrs. A. J. Dunway has met and addressed the ladies and gentlemen of Boise City on three different occasions. The subject of her lecture on Saturday evening was "Woman and the Government," and in a noble and conclusive manner, showed to the entire satisfaction of every one present, that woman associated with the government, as she claimed she should be, is a very different being from woman in the government, as she is found to-day in the lobbies at Washington, in the parlors, in the bondhalls, in the paths of the unsuspecting members of Congress, way-laying, besieging, and importuning them, invading her smiles and blandishments, and often employing all her arts in the interest of scheming political adventurers, and in the furtherance of corrupt measures. To listen to Mrs. Dunway was to believe that woman and the government could get along just as nicely together as could a good woman and her husband. Of her lecture on Sunday evening, it is only necessary to say that the large audience listened attentively, without showing any other sign than that of being delightfully entertained and instructed.—Boise Statesman.

PURCHASING AGENCY. Miss Clara Dunway offers her services to the public as a Purchasing Agent. Orders for every conceivable article of Ladies' and Children's Wear, or for Jewelry, Silver or Plated Ware, Notions, Patterns, Musical Instruments, etc., etc., will receive her prompt personal attention. Persons living at a distance will find it to their advantage to send their orders. In ordering millinery, ribbons, ties, etc., state the age and complexion of wearer, color of hair and eyes, style of features, and how the hair is worn, and we will send you the exact quantity by the cash, and all transactions to be considered final. The same conscientious care will be exercised in making purchases as though the owner were present, and Miss Dunway's acquaintance with the trade will always enable her to secure honorable bargains. Terms of commission five per cent. Ladies writing for information concerning prices, styles, etc., must inclose a stamp to pay return postage.

THE AMERICAN NEWSPAPER DIRECTORY is an epitome of newspaper history. It is also regarded as an official register of circulations. This feature requires the closest scrutiny to prevent it from leading to abuses. The plan adopted by the publishers of the DIRECTORY to secure correct and trustworthy reports is rigid in its requirements, and is adhered to with impartiality. Successful publishers, who have something to gain by a comparison, are generally prompt in reporting to us. Ladies, however, give Messrs. Geo. P. Rowell & Co. such information as enables them to weed out unsubstantiated statements of pretenders in journalism. The popularity of the book, and the general confidence in its accuracy and good faith, are attested by the immense body of advertisements it receives.

BAY VIEW HOUSE, Baker's Bay, Unity, W. T.

MR. DEXTER INFORMS THE PUBLIC that his house is now open for the reception of guests. Its advantages in every respect over any other Summer Resort are too well known to Oregonians to repeat here.

Strangers I will say that the place is in plain sight and across the Bay from Astoria, on the sheltered side of Cape Hancock, and very near and adjacent to the Fort and Lighthouse on Baker's Bay, a beautiful sheet of water, unequalled for sailing, rowing, fishing, and driving. The dark summer fogs are too well known to Oregonians to repeat here.

The Salt Water Bathing in the Bay, within a few feet of the Hotel, exceeds anything far or near for warmth of the water and mildness of its waves, and is far preferable to the heavy surf and cold winds for women, children, and invalids, while the strong swimmer, or those who love the foam of the sea, may enjoy a walk will find a beach unsurpassed in beauty, hard and level, for one continuous drive of thirty miles, with its picturesque scenery stretching out into the ocean, from which flocks take from the sea Bass, Rockfish, Tom Cod, and in abundance, (and the Table will never lack a sufficient supply of these desirable adjuncts.) Bountiful upon the Bay, Seal Ponds for the children, Teams to the Weather beach, Croquet, Quilts, etc. FREE to guests.

Prices reduced from the old tariff. To those who would like to camp out, wood and water, and the use of ground, fire, groceries, provisions, milk, eggs, butter, etc., for a small profit. Campers can board at the Hotel, if they prefer, at fair rates. A large Livery Stable, two new and ten Ten Pin Alleys, attached to the place.

Stage Office to Oysterville, Post Office, Wells, Fargo & Co.'s office also there. No raw winds or damp fogs, and more beautiful tracks and shady groves cannot be found. The only grove in the country, in a few minutes' ride, but his grounds are large enough and beautiful enough to warrant next season a Hotel worthy of the surrounding place.
